Ref. No. 429/ABSK/24

Date 02.08.2024

Sub: Appeal for support in sharing humanitarian solidarity with the victims of Landslides.

Dear Fathers, Brothers, Sisters and Laity,

Greetings and good wishes from ABSK!

As you are already aware, Wayanad in Kerala has witnessed the biggest natural calamity and human tragedy due to three major landslides impacting deaths of over 308 people so far and over 200 people still missing. The destruction caused by the landslides is heart breaking and grief stricken. This calls us to reach out in solidarity with the bereaving and affected families. So, there is an urgent need to reach out to the affected communities in Wayanad with humanitarian aid and support to the affected with short-term relief and long-term recovery and rehabilitation initiatives and thus reduce their misery and sufferings.

Caritas India, through its associate organizations, is already into relief actions & providing the requisite coordination of relief works. Continuation of relief activities in the upcoming weeks and rehabilitation of the impacted families is going to be the focus of Caritas India. In this regard, Archbishop Andrews Thazhath, the President of CBCI has made a National Appeal to all the Dioceses and Religious Congregations of our country. Please find enclosed the Appeal letter of the CBCI President.

May we request you all to kindly contribute generously through Parishes, convents and Institutions of the Diocese.

Kindly send your contribution to ABSK office either through cash or A/C Payee Cheque (Asansol Burdwan Seva Kendra) or through online banking at the earliest so that the same can be forwarded to Caritas India.
